

Dayton Water Reclamation Facility Tour – Thursday, May 24

- WHO:** SWOWEA members and anybody interested (YPs and Non-YPs welcome)
- WHAT:** Free Tour of the Dayton WRF – 1.5 Contact Hour
Happy Hour at Flanagan’s Pub in Dayton
- WHEN:** **Thursday, May 24**
Plant Tour – 1:30 to 3:00
Flanagan’s Pub – 3:15/3:30 onwards
- WHERE:** Dayton WRF Admin Building – 2800 Guthrie Road, Dayton, OH
Flanagan’s Pub – 101 E. Stewart Street, Dayton, OH

Join the SWOWEA YP and Watershed Committee for a **FREE TOUR of the Dayton Water Reclamation Facility** (with 1.5 contact hours offered) on **Thursday, May 24 beginning at 1:30 PM**. The facility is located along the Great Miami River at its original 1929 site and has average daily flows of 45 to 55 MGD.

Meet at the Dayton WRF’s Administration Building (see map below), where we will gather outside prior to a walking tour of the plant. We will learn about the facility’s treatment processes, history, and operations.

Please wear close-toed shoes and comfortable clothes for walking.

Following this tour, come to **Flanagan’s Pub** to get to know your fellow SWOWEA members at a happy hour sponsored by **Arcadis**. You do not need to attend the tour to come to happy hour.

Please forward to anyone who may be interested! If you have any questions, contact Lindsey Hassenauer at lhasenauer@hazenandsawyer.com, Travis Cooper at Travis.Cooper@daytonohio.gov, or Sarah Hunt at sarah.hunt@arcadis.com
